Local families looking for an alternative love it! The adults appreciate some relaxed downtime while the kids can love the 'playgreen. Indoors or out, the relaxed, fun atmosphere is a simple enjoyment that captures the laid back beach vibe of Coogee.

### A Blooming Success!

The Coogee Beach Club hosted a Plant and Flower market on the weekend of the 17 & 18 October. It was a great community day with most products selling out.

The market was supported by Eden Gardens and Gro Urban Garden Centre and raised over \$3,000 for Youth Off The Streets, one of the club's chosen charities.

Following on from that success, the club also hosted a Christmas Market on Saturday 12 December.

There were 22 stalls packed with unique stocking stuffers, bespoke handicrafts, and beautiful Christmas treats – all from handpicked local suppliers. Patrons could even get a Christmas trim with the Barbering Biker!

The markets were open from 9am -2pm and proved to be very popular with the local community with many stalls selling out on the day.

Coogee Beach Club plan to hold regular monthly markets in 2021. So make sure you follow us and keep up to date on Facebook@CoogeeBeachClubOfficial or Instagram #thecoogeebeachclub.

## Community News

Despite the uncertain economic climate that COVID delivered in 2020, including a three month shutdown, The Randwick Club continued its commitment to supporting those organisations that provide help and support to the members of our local community.

Through the ClubGRANTS scheme The Randwick Club provided \$25,000 worth of funding to each of the following organisations: Bayside Women's Shelter, Coogee Surf Lifesaving Club and Youth Off The Streets. This was triple the required contribution of our statutory obligations.

Furthermore the Club intends to match the 2020 contribution for the next two years. We urge all our members to support these wonderful organisations, especially during the Christmas season.
